NEW DATES!

September 11 — 12 — 13

EMERGENCY MEDICINE & URGENT CARE CODING ACADEMY

- FACILITY
- PROFESSIONAL
- FREE STANDING ED
- URGENT CARE

Nicka & Associates, Inc. specializes in Emergency Medicine Services. The Nicka & Associates 2012 Coding Academy is designed to improve upon the coders basic knowledge of CPT and ICD-9 coding. Building upon this foundation, the three-day seminar will provide the necessary skills to code the Professional, Facility Emergency Department, Free Standing ED and Urgent Care encounter with confidence and proficiency.

The seminar focus will be on critical updates and specialty specific coding that will enable the participant to stay on target with the best practices of the industry, expand and update current coding skill set and obtain meaningful CEU credits.

The Nicka & Associates 2012 Coding Academy will provide the essential elements and educational experience to support accurate coding practices and promote Coder success!

Mark the dates, September 11, 12 & 13 to attend the Nicka & Associates 2012 Coding Academy in Plano, Texas!
